### DEMOCRATIC TICKET.

—FOR CONGRESS—  
HON. A. O. STANLEY,  
HENDERSON, COUNTY.

### The Weather.

FOR KENTUCKY—Generally fair  
and continued warm Saturday.

Frank H. Hitchcock has been chosen chairman of the Republican national committee.

The Hitch family held a reunion in Pendleton county last week and 110 descendants were present. It is to be hoped that none of the boys was Hitched on the outside.

Evan Ragland, who recently purchased the Springfield, Tenn. Record, has disposed of same to A. Thomas for a fancy profit. We are not advised as to Ragland's future business.—Auburn Advocate.

### To Wed In August.

Dr. W. S. Petrie and wife, of Fairview, announce the engagement of their daughter, Miss Annie Mae, to Mr. Vernon H. Petre, of Manila, P. I. The wedding will occur at Fairview Aug. 19. The groom-to-be is a son of Mr. F. G. Petre, of this city, and is now on a visit to his parents.

### Story Lacks Confirmation.

Investigation of a report that scraps of iron were placed in Wm. Harrison's wheat near Carl, to attempt to wreck a thresher operated by Bud Dukes, fails to justify attaching importance to the report. If iron scraps were found, they were probably there by accident.

### Watson Accepts

Thomas E. Watson was formally notified in Atlanta last night of his nomination for President by the Populists of the United States. Mr. Watson delivered a lengthy address.

### Editor Killed

A. L. McConn, editor of the Mount Olive (Miss) Progress, was shot and killed by A. C. Brett, agent for the Southern Express Company.

### French Bridge Horror.

A new bridge under construction over the Rhine at Cologne fell in and many of the workmen engaged on the structure lost their lives.

The negroes who were run out of Birmingham, in Marshal county, last March, now claiming Illinois as their home, have brought suit at Paducah in the Federal Court, against 75 or 80 members of the mob for \$75,000 damages. Most of the men sued are already under indictment and the leader is in the penitentiary. Some of the defendants are men of means. The names are withheld.

Ben Armistead, of the wall paper department of the Forbes Manufacturing Co., will go to Montgomery about August 15th and will be succeeded in his department by Robt. H. Whitlow, now with Hopper & Kitchen.

D. Y. Keith, who has been attending Louisville Hospital Medical College, is here to spend his vacation.

### \$100 REWARD \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

### BURGESS HELD

#### In Jail Awaiting Requisition Papers.

The case of J. M. Burgess, charged with obtaining money under false pretenses, and arrested here on a warrant from Mississippi, came up before Judge Cook yesterday on habeas corpus proceeding. The Court dismissed the writ and the prisoner was sent back to jail. Requisition papers are expected to-day or tomorrow.

### White-Forbes.

Jas. A. White and Miss Carrie Forbes, popular young people of northeast Christian, were married Wednesday night at the home of the bride.

### Reducing Fat on a Full Meal

If you want to reduce your flesh a pound a day, say, and still are averse to exercising or cutting down your meals—from three to one or half of one—you can manage it. Ask your druggist for a package of Marmola Prescription Tablets; they cost but a trifle (an effective quantity being obtainable for only 75 cents.) and take one tablet after meals and at bedtime. That is all. Just eat when and what you please, leave exercising to the athletes, take your convenient little tablet faithfully and that flabby flesh will soon disappear—possibly at the rate of a pound or more a day.

These tablets are licensed as harmless and effective by the Marmola Co., Detroit, Mich., for they contain identically the same ingredients as the famous Marmola Prescription: 1/2 ounce Marmola, 1/2 ounce Fluid Extract Cascara Aromatic and 2 1/2 ounces Sirup Simplex, which as everybody knows is put up regularly and recommended by every druggist in the land.

### Democratic Handbook.

The Democratic Handbook, gotten out by the Congressional Committee, is composed nearly entirely of extracts from the Congressional Record, which fully convicts the party in power of extravagance and an utter disregard of the people's rights. In the chapter on Currency Reform a speech of Hon. Wm. J. Bryan Feb. 17, 1908, is included. There are speeches by many of the Democratic leaders in the House and Senate. The book sells for 25 cents, which goes to help defray the cost of publication.

The book is one that should be in the hands of every Democrat who wants to know what the party stands for in the present campaign. Jas. F. Lloyd, Chairman Democratic Congressional Committee, Washington, D. C., will fill orders.

BOY and GIRL wanted to represent us. Light work and good pay. The Palestine Gardens, South Bend, Indiana.

### For Sale or Rent.

Cottage at Herndon. J. F. Ellis

A crowd of the "Society-buds" went out to Campbell's Cave Thursday night on a hay wagon and remained well into the night.

# The State University Lexington, Ky.

The State University, Lexington, Kentucky, offers the following courses, namely, Agricultural, Mechanical Engineering, Civil Engineering, Electrical Engineering, Mining Engineering, Classical and seven Scientific courses each of which extends over four years and leads to a Bachelor's degree; also a Department of Law and a Department of Education, which last has been established instead of the Normal School. Persons who enter this department prepare for advanced work in pedagogy and are granted a Bachelor's degree in this subject when completed. The Academy for preparatory instruction is retained.

County appointees receive free tuition, privilege of residence in the dormitories, fuel and light, traveling expenses, if they remain ten consecutive months, or one collegiate year.

The laboratories and museums are large, well equipped, comprehensive and modern. Military Science is fully provided for as required by Congress.

The graduates in the several courses of study readily find employment with liberal remuneration. The total number of matriculates for last year was 1078. Each department has a specialist at its head, with the necessary number of assistants.

Young women find an excellent home, with board and lodging, in Patterson Hall, which is well equipped with all the modern conveniences, bathroom, hall for physical culture, at \$3.00 per week. All courses of study in the University are open to women on identical conditions with those applying to males.

The completion of the Agricultural, Mining Engineering Laboratory and Education buildings afford ample and commodious quarters for these departments, which are rapidly increasing in number of matriculates.
